

start[®]

Whatever the **Industry**

Logistics matters

[WHY START® ?!]

AT START®, WE UNDERSTAND THE OPERATIONAL CHALLENGES
FACED BY LOGISTICS-INTENSIVE BUSINESSES.

Unpredictable transit times
and supply chain disruptions

Improper packaging,
handling and loading

Cargo loss, shortage
or damage in transit

Inadequate insurance
coverage

Hidden costs and
delayed expense reporting

Poor communication
and lack of visibility

Errors in import and
export documentation

Mistakes in customs
clearance processes that
causing shipment delays

Inefficient project
logistics coordination

Complex payment
and delivery terms

LOGISTICS SHOULD **DRIVE YOUR BUSINESS FORWARD** — NOT HOLD IT BACK.

[THE START[®] WAY]

AT START[®], WE TURN LOGISTICS CHALLENGES INTO CONTROLLED,
MEASURABLE, AND RELIABLE OPERATIONS.

Intelligent route planning
for predictable transit times

Proactive communication and
real-time shipment visibility

Professional packaging,
handling and loading supervision

Accurate import and
export documentation

End-to-end cargo control to
prevent loss, shortage, and damage

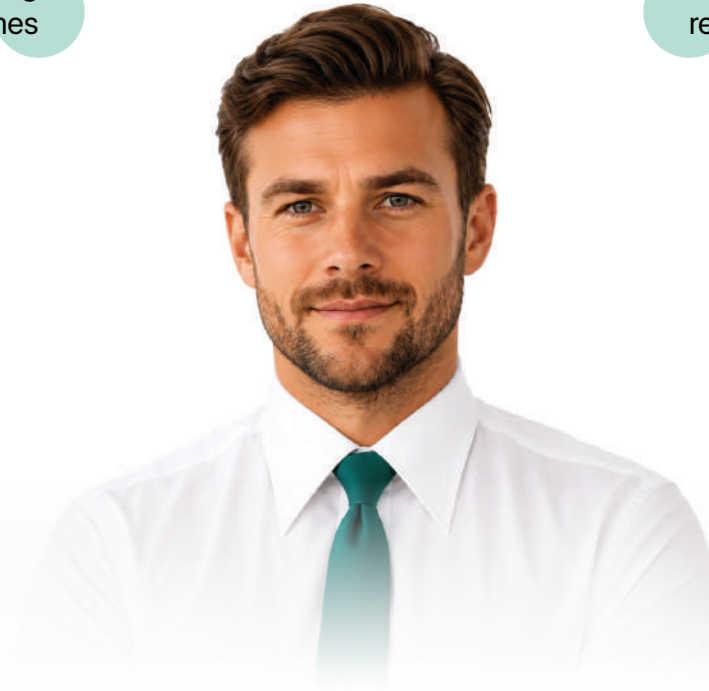

Expert customs coordination
to prevent unnecessary delays

Tailored insurance solutions
for complete cargo protection

Dedicated management for every
project logistics operation

Transparent pricing with
timely cost reporting

Flexible and clearly
defined payment terms

BETTER PLANNING. STRONGER CONTROL. SAFER TRANSPORTATION.

LOGISTICS BUILT AROUND YOUR BUSINESS

We tailor our processes to your
specific needs, priorities and pace of work.

WE TAKE ON THE TOUGH JOBS

Unusual, hazardous, oversized or urgent?
We make it happen.

THAT'S WHY

OUR PHILOSOPHY IS SIMPLE:
"TO MEET THE CUSTOMER'S NEEDS"

A GENUINELY PERSONAL APPROACH

A dedicated team, individual attention and
reliable support whenever you need it.

24/7 ONLINE TRACKING

Monitor your shipment in real time—no calls
or constant follow-ups required.

ALWAYS ON TIME (ALMOST)

We work to schedule—no surprises, no excuses.

Swap Body Container (SB)

Seamless container movement across oceans, ports, and continents. With smart planning and precise coordination, we keep every shipment on course from origin to destination. Built for global trade. Ready for every journey.

[ROAD TRANSPORTATION]

RELIABLE TRANSPORT. TRUSTED EQUIPMENT.

We work with a trusted network of modern, high-quality vehicles maintained by authorized ISO-certified service providers, ensuring safe, reliable and efficient transportation.

COMPLETE VISIBILITY. TOTAL CONTROL.

From pickup to final delivery, we provide timely updates on your cargo's location, route, progress and estimated delivery time.

PREMIUM SERVICE. COMPETITIVE VALUE.

We combine competitive pricing with professional planning, clear communication and reliable execution. More than transportation, we provide a dependable logistics partnership.

[RO-RO & INTERNATIONAL TRAILER HAULAGE]

From port terminals to cross-border routes, we provide dedicated tractor services for Ro-Ro units and international trailers. Flexible operations, experienced drivers, and dependable execution keep every movement on schedule.

FROM RAMP TO ROAD. WE KEEP TRADE MOVING.

[FRESHNESS IN MOTION]

MORE THAN TRANSPORTATION. THE **START®** STANDARD.

From farm-fresh produce to temperature-sensitive beverages, START® delivers fast, reliable logistics that preserve freshness, protect quality and keep every shipment on schedule.

[SMART LOGISTICS FOR HEAVY AMBITIONS]

START® delivers tailor-made logistics solutions for heavy, oversized and project cargo worldwide. From planning and permits to lifting, transport and final delivery, we manage every stage with precision, safety and control.

COMPLEX CARGO. SEAMLESS JOURNEYS. IT ALL START®S WITH US.

HAZARDOUS GOODS HANDLED WITH CERTAINTY

START® delivers end-to-end logistics solutions for all nine classes of dangerous goods. Every shipment is managed with specialist expertise, certified equipment and strict compliance with international safety standards.

Our expertise covers:

- Explosives
- Gases
- Flammable Liquids
- Flammable Solids
- Oxidizing Substances
- Toxic and Infectious Substances
- Radioactive Materials
- Corrosive Materials
- Miscellaneous Dangerous Goods

WHEN SAFETY CANNOT BE COMPROMISED, START® DELIVERS WITH PRECISION.

From urgent documents to hazardous goods, temperature-sensitive cargo, heavy machinery, and oversized shipments, we move every type of cargo with speed, precision, and care

[AIR FREIGHT]

BEYOND LIMITS. ABOVE EXPECTATIONS.

ANY CARGO. ANY CHALLENGE. DELIVERED.

[SMALL PARCEL. BIG JOURNEY.]

From a single urgent document to hundreds of daily packages, START® turns every parcel into a smooth and reliable journey.

WHEREVER IT NEEDS TO GO, START® GETS IT THERE.

[RAILWAY LOGISTICS]
